Child/Youth Protection Policy

Christ Church McKeansburg
McKeansburg, PA

Introduction

The congregation of Christ Church McKeansburg is committed to providing a safe and secure environment for all children, youth, and volunteers who participate in ministries and activities sponsored by the church. The following policy statements reflect our congregation’s commitment to preserving this church as a holy place of safety and protection for all who would enter, and as a place in which all people can experience the love of God through appropriate relationships with others.

The Christ Church McKeansburg vision is to honor God by helping unchurched people become fully devoted followers of Christ.

1. Definitions

1.1. “Child” and “Youth” and “Young Adult and “Adult”

A “Child” is anyone in 6th grade or below (usually under the age of 12)
A “Youth” is anyone not a “child” and under the age of 18 (usually ages 11-17).
A “Young Adult” is anyone 18-24 years of age.
An “Adult” is anyone 25 years of age or older.

1.2. “Paid Staff Person,” “Adult Volunteer,” “Screened Adult,” “Youth Volunteer” and “Paid Childcare worker”

A Paid Staff Person is someone paid by the church, overseen by the Senior Pastor and screened. An Adult or Young Adult Volunteer is someone who has not been screened. They will go through the application and interview process. They can work in a room with a Screened Adult or paid staff person. A Screened Adult or Screened Young Adult is a volunteer who has gone through the screening process. A Youth Volunteer is someone in Grades 6-12 and is not yet 18 years old. They will not have been screened, yet they will go through the application and interview process. They can work in a room with a Screened Adult or paid staff person. A Paid Childcare Worker is a youth or adult who is paid directly by the church to care for children at a church event. Adults in this category will be screened. Youth will be required to go through the application and interview process.

1.3. “Child/Youth Abuse”

1.3.1. For purposes of this Policy, child/youth abuse is defined as any of the following:
1.3.2. Physical Abuse:
1.3.2.1. Violent non-accidental contact resulting in injury. This includes, but is not limited to, striking, biting, or shaking. Injuries include bruises, fractures, cuts, and burns. Note: Physical abuse does not always leave identifiable physical evidence, i.e.: there can be internal bleeding or internal bruising.

1.3.3. Sexual Abuse:
1.3.3.1. Any form of sexual activity with a child/youth, whether at the church, at home, or any other setting. The abuser may be an adult, a youth, or another child. Note: Sexual abuse includes inappropriate touching (with or without clothing), demands for sexual performance, sexual threats, or coercion for sexual purposes.

1.3.4. Emotional Abuse:
1.3.4.1. A pattern of intentional conduct which crushes a child's/youth's spirit attacks his/her self-worth through rejection, threats, terrorizing, isolating, or belittling.

1.4. “Two Person Rule”

1.4.1. The “Two Person Rule” is defined as having at least two volunteers or paid staff in any classroom or setting, at least one of which must be a screened adult or paid staff person.

1.4.2. In working with children ages birth through Grade 5, the two person rule dictates that at least one screened adult or paid staff person plus a youth volunteer or adult volunteer must be present.

1.4.3. In the youth ministry (Grades 6-12), the two person rule states that at least one screened adult or paid staff person and another adult volunteer who is at least 18 years old must be present.

2. Screening and Selection of Church Staff and Volunteers

2.1. Adults and Young Adults who regularly (more than once a month) work with children and youth through Christ Church McKeansburg-sponsored activities, and each paid staff person will be screened. Those who work regularly with children/youth will be oriented on this policy prior to beginning their regular involvement. Each person being considered to work regularly with children and/or youth, whether as a volunteer or paid staff person, shall fill out an application form (See Appendix I). The screening is good for 5 years after which time, re-screening will be necessary. The screening includes a background check, as well.

2.2. All adults, young adults, and paid staff members (full time and part time) will be required to have the following background checks for clearance

- Pennsylvania State Police Criminal History Record
  https://epatch.state.pa.us/Home.jsp
- Pennsylvania Child Abuse History Clearance Form (CY-113)
  http://www.dpw.state.pa.us/ucmprd/groups/webcontent/documents/form/s_001762.pdf
2.3. Each adult and young adult applying to work with children and/or youth shall “authorize” the church to conduct a criminal background check and child abuse screening. The church will pay all costs.

2.4. The church must obtain written authorization to run a background screening.

2.5. Before beginning work with either children or youth, each paid staff member and volunteer will sign a statement that they have read, understood, and agree to abide by this Child and Youth Protection Policy.

2.6. After the interview and background screening have been completed, the decision will be made by the Senior Pastor, Youth Pastor, Sunday School Superintendent, and Consistory President to accept or reject the applicant as a paid staff member or volunteer who will work with youth and/or children.

2.7. Where it has been determined that an applicant should not work with children or youth, those persons involved with the decision should handle it in a sensitive manner. The Senior Pastor or designated member should inform the applicant in person. The specific reasons for the decision should be given, whenever possible. A written notation will be placed with the completed application and these documents will be kept on file in the church office for a minimum of five years.

2.8. It is important that all records be kept in a locked cabinet in the church office. There should be a system in place that gives those who need these records easy access. Access to these records will be closely monitored and permitted only on a “need to know basis.”

2.9. If an applicant has been convicted of a crime or has an arrest record, the senior pastor and respective program director shall make a determination regarding the individual’s request to work with children.

2.10. Program directors are responsible for enforcing this policy.

3. Ongoing Education of Persons Who Work With Children and Youth

3.1. The church shall conduct regular (at least annually) training focused on current issues of child protection for those working with children and youth.

3.2. The training may include:
   3.2.1. The definition and recognition of child abuse.
   3.2.2. The church’s policy and procedures on child abuse and the reasons for having them.
3.2.3. The need to maintain a positive classroom environment, including appropriate discipline and age-level characteristics.
3.2.4. The appropriate behavior for teachers and leaders of child/youth events.
3.2.5. Abuse reporting responsibilities and procedures.
3.2.6. Explanation of appropriate interpersonal boundaries.

4. Supervision of Children and Youth

4.1. General Rules

4.1.1. All activities involving children and youth will be supervised by at least one screened adult.
4.1.2. When feasible, each room set aside for children/youth should have a door with a window. (Windows in doors tend to reduce the opportunities for secrecy and isolation, conditions every child abuser seeks).

4.2. Supervision of Classroom Activities

4.2.1. Birth to 5th Grade
   The “Two person rule” is the expectation, as defined under general rules. When feasible, there should be two screened adults present, and where the two adults are family members, it is preferable that a third person Grade 6 or above be present. In addition, a designated person (i.e.: Program Director or Leader) should periodically check on each classroom. Children should be escorted to and from bathroom facilities or when otherwise leaving the room by either one of the supervising adults or by a designated screened adult who checks on all classrooms. Where the “two person rule” is not possible, the door will remain open and a screened adult will periodically check each classroom. Each leader will be required to wear a name tag while serving in the classroom for identification purposes.

4.2.2. Grades 6-12
   The “Two Person Rule” is the expectation, as defined above. Where the “Two Person Rule” is not possible, the classroom doors will remain open. A designated screened person should periodically check all classrooms.
4.3. Supervision of Non-Classroom Activities

4.3.1 At least two screened adults should be present for all non-classroom activities involving children and/or youth.

4.3.2 Any official activities not held on church property should be supervised by at least two adults; at least one of whom is not a member of the same family.

4.3.3 Official activities not held on church property must be pre-approved by the child’s/youth’s parent or guardian and the church.

4.3.3.1 Activities are considered official if the organizer is a recognized adult or young adult leader (volunteer or paid staff) AND the event utilizes church property or funds to plan, promote, or execute the event. These include but are not limited to ministry funds, church vehicles, church buildings, grounds, or parking lots, church web pages and facebook groups, church games, toys, or other equipment. This does not apply when church property is rented for the purpose of a private event.

4.3.4 Adult and Young Adult leaders should avoid any activities alone with an unrelated member of the children or youth ministries. When this is not realistic (i.e. youth needs a ride), the leader must immediately follow one of the approved notification methods listed near the end of 4.3.5.

4.3.5 For official events organized by screened adults and screened young adults, church approval is implied as pre-approved for all non-classroom activities when the organizing screened adult or young adult notifies their immediate supervisor and at least two other screened adults (not young adults) in the same ministry and there are no objections from those notified. If the ministry leader who is being notified is not the senior pastor, they must also notify the senior pastor. If a ministry does not have two other screened adults to notify, any other screened adults will suffice. Some examples...

- Sunday school teachers must notify the Sunday school superintendent and two other screened adults in the Sunday school ministry.
- Youth ministry volunteers must notify the youth ministry leader (youth pastor) and two other screened adults in the youth ministry.
- The Sunday school superintendent and the youth ministry leader must notify the senior pastor and two other screened adults in their respective ministries.

Approved Notification Methods are ...

- Face to face communication
- Phone conversation (not voicemail message)
- Text message (with reply) will be acceptable for last minute impromptu activities.
- Email will be acceptable for pre-planned activities if sent one week in advance.

4.4. Counseling of Youth and Children

In instances of youth or child counseling where circumstances dictate that counseling would be most effective on a one-on-one basis, an appropriate church paid staff person may meet individually with a child/youth with the knowledge of at least one other paid staff person or screened adult. At any counseling session with children or youth, the door to the room used should remain open for the entire session, unless there is glass in the door or wall allowing a clear view into the room.

4.5. Time Following Group Events

Following child/youth group events, it is inevitable that occasionally a child/youth’s transportation will arrive after all other participants have departed. In those circumstances, a child/youth may unavoidably be supervised by one screened adult. Under these circumstances, it is still preferred that two persons (one screened) stay with the child/children or youth. However, the general rule requiring the presence of two screened adults may be suspended and one screened adult may exercise his/her best judgment for the participant’s well-being.

4.6. Event Invitation Guidelines

Children and Youth should not be excluded from classroom or non-classroom activities based on popularity or personality. To avoid the emotional damage caused by exclusive cliques, organizers of events should invite all members of a particular church recognized group. Some examples are...

- All members of a Sunday school class
- All members of the youth group
- All senior high members of the youth group
- All members of the choir/praise band.
5. Transportation

Transporting youth and children is an important concern. Their safety can be at risk in a variety of ways. Therefore, certain discretion must be used depending upon the event attended, the locale of the event, and the age group participating. This Policy includes both Requirements and Guidelines. When feasible, there should be adherence to the recommendations in the Guidelines. It is expected that the Requirements will always be followed.

5.1. Requirements

5.1.1. Drivers must be known to the designated adult leader of the event.
5.1.2. When a child/youth is transported in any church-owned or church rented vehicle, the driver must be either the child’s/youth’s parent/guardian, a screened adult, a paid staff person or an approved driver employed by the rental company who is at least 21 years old.
5.1.3. Drivers must have a driver’s license for the vehicle being operated. For example, if driving a church bus, a commercial license is required.
5.1.4. Drivers must require that manufacturer installed seat belts be used at all times and the number of passengers must not exceed the number of seat belts.
5.1.5. Drivers should be advised of a designated route and should not deviate from it except in cases of emergency or road detours.
5.1.6. Persons who regularly drive church owned vehicles must be listed on an “approved driver list” maintained in the church office.
5.1.7. In order to be listed on the “approved driver list” of church-owned vehicles, a Motor Vehicle Record search must be conducted and the appointed pastors or his/her designee must determine if the record is satisfactory.
5.1.8. Staff Members/Event Leaders should have cell phones and should make them available for use in the event of vehicle breakdown or emergency.
5.1.9. There should be a 10 minute break for every three hours on the road travel time.
5.1.10 There should be a significant sleep break after 12 hours of drive time.

5.2. Guidelines

5.2.1. Drivers of buses (16 passengers or more) should be accompanied by at least one other screened adult.
5.2.2. Under some circumstances Youth will be allowed to provide their own transportation. Adult youth leaders may advise and assist but shall not require any child/youth to ride with a youth driver to a church endorsed event.

6. Trip and Retreat Supervision

Trip and Retreat settings can call for different child/youth protection requirements depending on the circumstances. What follows are Requirements and Guidelines of this Policy. The Requirements will always be implemented. Depending on the circumstances of the setting, who is in attendance, etc., some
or all of the Guidelines should be implemented. Those in charge of the trip or retreat should be mindful of both Requirements and Guidelines.

6.1. Requirements
6.1.1. There will be at least two screened adults present for all trips, retreats and other events where the children and/or youth gather at, or away from, the church campus.
6.1.2. There will be at least one screened adult for each gender present at co-ed overnight events. At single gender overnight events, at least two adults present shall be of the same gender as the participants.
6.1.3. The person in charge of youth/children for each overnight trip and/or retreat shall carry parental permission slips including permission for emergency medical care.
6.1.3a. All overnight trips must be pre-approved by the Consistory in a quorum vote.

6.2. Guidelines: In a hotel type-setting, rooms should be assigned as follows:
6.2.1. Separate rooms for each gender and for adults and children/youth should be assigned with at least two children/youth per room and on
6.2.2. Assignments should be made so that an adult room is between two children/youth rooms.
6.2.3. Random hall monitoring and room checks should be performed at night by two adults of the same gender as those being checked.
6.2.4. A hotel should be selected where the rooms open to the interior of the building (i.e., do not open to the outside).
6.2.5. Instances may arise where fewer rooms for adults are available. In this circumstance two adults or one adult and one young adult will be placed in a room with the child/children in a separate bed.
6.2.6 There should be at least 1 adult for every 10 children or youth.

7. Responding to Allegations of Child Abuse

7.1. Everyone in the church has a moral responsibility and a legal duty to report suspected abuse whenever it comes to their attention, regardless of where that abuse takes place. Reporting abuse is a form of ministering to the needs of those crying out for help. Therefore, the proper authorities must be notified as soon as possible (i.e., the local law enforcement agency in the jurisdiction in which the child/youth resides or in which the suspected abuse occurred and/or the appropriate department of children’s services). THE PENNSYLVANIA ABUSE HOTLINE is 800-932-0313 TDD: 866-872-1677.

7.2. Immediately, yet with dignity and respect for the sacred worth of the accused, remove the accused from further involvement with children and/or youth. Once the proper authorities have been contacted and the safety of the child or youth is secured, the pastor or other designated persons should inform the accused that abuse has been reported.

7.3. If abuse is observed by, disclosed to, or suspected by a volunteer and/or paid
staff member of the church, the observer shall report the incident immediately to a pastors or other designated person.

7.4. If the accused is a pastor or a member of his /her family, the allegations shall be reported to a member of the Consistory as soon as possible.

7.5. The parents of the victim shall be notified as soon as possible. Whatever steps are necessary to assure the safety and well being of the child or youth until the parent(s) arrive shall be taken. NOTE: If one or both of the parents is the alleged abuser, follow the advice of the authorities concerning notification of others.

7.6. The care and safety of the victim is the first priority. All allegations will be taken seriously. The church shall respond in a positive and supportive manner to the victim and the victim’s family.

7.7. The church should provide a supportive atmosphere to all those who are affected, offering both objectivity and empathy as it seeks to create a climate in which healing can take place.

7.8. After having reported the suspected abuse to the proper authorities, the appointed pastor or designated leader will report the incident immediately to the Administrative Ministries Team.

7.9. A written report will be prepared by the Consistory of the steps taken by the Church in response to the reported abuse. All reports related to the incident shall be kept in an incident file in a secure place.

7.10. Any contact with the media should be handled by the senior pastor or his/her appointed designee. NOTE: The church spokesperson should generally convey a spirit of concern for the spiritual, physical, and emotional well-being of all who are affected, and that the matter is being diligently and appropriately handled.

8. Incident/Accident Reporting

In the event of an incident or accident an incident/accident form will be filled out and submitted to the ministry team leader.

9. Implementation

Unless otherwise specifically stated, it shall be the responsibility of the Consistory, Senior Pastor, Youth Pastor, and Sunday School Superintendent to implement this Policy, to design and conduct future training, and to ensure the ongoing effectiveness of this Policy.
10. Application

All of those who participate in the life of this congregation and use its facilities –
individuals, organizations, and groups within and outside this congregation -- are
expected to respect, implement, and adhere to these provisions at a minimum.
